

# The right details for your concrete!

**Dear Sirs or Madam,**

do you design objects made of concrete which is visible?

How should your concrete appear?

Sensual, warm, open, clinical, cool, prevailing, cheerful?

Should it play the leading role in the object or does it just emphasize the atmosphere?

Whatever you expect from your concrete, we create the right details.

The company Mathies GmbH fabricates anchor position systems, examines and recommends formwork accessories and realizes individual furniture made of concrete.

We deliver the knowledge in the subject of exposed concrete, concrete design and concrete art – to you, the executive enterpriser and the craftsman.
